Dear Mr. Knopf:

Many thanks for your letter of May 10th.

As a matter of fact, I am not as yet writing up my war experiences in Switzerland as I think it is better to let some time go by. I have been putting together material with regard to the German resistance movement but have no plans for publication.

Since the publication in Switzerland of Gisevius' book, "To The Bitter End", there have been several offers made which I have passed on to the author as he asked me to look out for this matter for him in the United States, which I consented to do in view of my debt to him for courageous services rendered in the cause of trying to free Germany of Hitler and the Nazis.

Faithfully yours,
